## Experience

TAIN  
CEO

January 2001 - Present (19 years 8 months)

TAIN procures designs, creates, manages and maintains the perfect real estate space in some of the fastest developing regions in the world. Our client's expectations become our blueprint, the core of our construction. Strategy, insight, innovation and strict adherence to time and costs, are just a few of the TAIN deliverables, which come with a premium product and sustained service.

At TAIN, we have been building partnerships with clients since we opened in 2001. We are one of the few real estate firms that combine an extensive global reach with the in-depth, specialized knowledge that comes from being in local markets close to our clients. Today we are dedicated to providing unsurpassed client service and are uniquely situated to provide customized solutions to meet all your wealth management needs.
